# ANATOLIY OMELCHENKO
Graphic Designer
BFA in Art

## Work experience:

### Triangle Tree, Inc
*Industrial Designer '10 -'15*
Creating functionally and aesthetically simple products and devices that can become eco-friendly substitutes for the ones we use today.

### Graj + Gustavsen '09
*New York*
*Freelance Graphic Designer*
Developing a new brand identity including new name, tags line, logos, layouts, packaging, in-store signage, graphic t-shirt and more.

### The Creative Group '09
*New York*
*Freelance Art Director/ Graphic Designer*
Provided clients of The Creative Group with high-end, innovative print-design solutions for identity projects, branding, corporate collateral, magazine ads and advertising.

### East House Creative '08
*New Jersey*
*Freelance Sr. Graphic Designer*
Developing concepts and brand identity for the client of a major hi-tech firm. The project included design as well as coordinating production and printing for promotional materials.

### Integrated Graphic Solutions '08
*New York*
*Freelance Art Director/ Sr. Graphic Designer*
Executed all aspects of design and digital production, from creating and retouching art-works, to prepress and the completion of digital mechanicals and printed pieces.

### Hallmark Cards, Inc. '05
*Kansas City, MO*
*Graphic Designer/ Production Artist*
Worked in collaboration with Art Directors, design planners as well as a lettering artist to create designs that meet the demands of current trends.

### Kingsbrook Jewish Medical Center '02
*Brooklyn, NY*
*Graphic Designer*
Worked on the design and development of collateral & promotional materials for the Kingsbrook Jewish Medical Center.
