

PERSONAL STATEMENT

I'm a 24 years old Freelance Photographer from Russia currently based in North Miami Beach, FL. I love everything that has to do with photo, video and interactive design. I specialize in taking the restaurant photography with 7 years of experience working as a freelance photographer and working as an employee of the company, I'm ready for visiting other team! I like to learn new things and listen carefully; asking the right questions to get to the core of the conversation very quickly. I love working with people, specially if they have the same passion I have for what they do.

Why don't we work together?
